

Letter Naming

Say: "I'm going to show you letters in mixed-up order. **You may see the same letter more than once in a different font.** Start with the letter at the top left and go across to the right (point to the letter M and motion with your finger to show the student the direction to go). Point to each letter and tell me the name of the letter, not the sound."

Uppercase Letters

M Z S R X A K H E
 B F O L I I G V N
 Q D T C U Y W J P ____ / 26

Lowercase Letters

p r o z t q a g d h
 k w e n i l m c x j
